3. Resolution to authorize purchase of an adsorption clarifier/filter package system and waive competitive bidding due to special facilities and market conditions.

Councilmember Marshall expressed his concern that he had not seen the support expressing the need to purchase the specific filter. It was explained that the support had been provided in the prior meeting packet and would be re-distributed. The council would like Nancy Lockett to proceed with securing an assignable contract for the system.

ACTION: Motion to adopt the resolution waving competitive bidding and authorizing the purchase of adsorption clarifier system from WestTech Engineering, Inc. (Chambreau/Jensen). Roll call vote: 5 Ayes 0 Nays 0 Abstain

I. Discussion

1. ATV's and ORV's on City Streets and Trails

Mayor Cassinelli explained that the attorney was working on the legislation.

J. Executive Session to Discuss Personnel Issues

The Mayor informed the audience that the council would be holding an executive session for 15 minutes (6:30 pm). Upon emerging from the session (6:45 pm), the Mayor asked that the council be provided with the information on when employees were eligible for promotions. The council agreed to the mayor's recommendation to promote Elaine McMillan to a Grade 12 Step 3 on the scale he had provided.

M. Adjournment

A. Call to Order

Mayor Cassinelli called the workshop to order at 5:10 p.m.

B. Present: Councilmembers: Fred Marshall, David Jensen, Vinessa Mulinix, Jon Chambreau and Gary Forner; City Engineer Nancy Lockett, Gray & Osborne; Treasurer Elaine McMillan.

C. Discussion

Nancy explained the options and provided examples of purchasing the filter and having it installed or purchasing it under an assignable contract. She pointed out that it would start the lead time earlier on the manufacturing and give the city more control over what is ordered. Additionally, it would secure the price of the filter. Councilmember Chambreau expressed his concern over the risk of purchasing the filter and then the installation cost coming in over the available funding. He was reminded that this could still occur if the filter was not purchased separately and the city would have to come up with the money or return the grant. Councilmember Mulinix wondered if purchasing the filter and assigning it to the contractor would make the project less attractive to bidders. Nancy felt that bidders would feel that the project was more attractive as the hassle of purchasing the filter and processing the submittals for it would have already been completed. Nancy explained the current set-up of the filters at the plant and how they are operated as well as how they will be set-up and controlled after the project.

D. Adjournment

Mayor Cassinelli adjourned the workshop at 5:55 p.m.

CITY OF ILWACO
CITY COUNCIL AGENDA ITEM BRIEFING

A. Meeting Dates: Council Workshop: Public Hearing:
 Council Discussion Item: 2/24/14, 3/10/14, 3/24/14, 4/14/14
 Council Business Item:

B. Issue/Topic: **ATV's and ORV's on City Streets and Trails**

C. Sponsor(s):

1. Gary Forner
2. David Jensen

D. Background (overview of why issue is before council): Gov. Inslee has signed into law HB1632 which allows ATV and ORV's to travel on public roads, trails and state highways, which have a speed limit of 35 mph or less. The effective date of this legislation is March 1, 2014. The cities of South Bend and Raymond are currently allowing ATV's and ORV's on designated roads. They have or will be passing ordinances allowing such usage. The City of Long Beach is considering a trial period for beach usage and may be selected city streets. The County is basically silent on this issue and believes that adoption of HR 1632 would set them up for liability issues. The City of Long Beach has suggested joint meetings between Ilwaco and Long Beach to work on legislation that would be similar and not confusing to the public.

E. Discussion (specific details relevant to the issue, pros/cons, alternatives and any other decision-making details)

1. The City Attorney and MRSC attorney concur that if the city does not want off road vehicles operating on the state highway within city limits, legislation should be passed. The council needs determine how they would like to proceed with the issue.
2. The City Attorney has drafted an ordinance.

F. Impacts:

1. Fiscal:
2. Legal:
3. Personnel:
4. Service/Delivery:

G. Planning Commission: ☐ Recommended ☒ N/A ☐ Public Hearing on

H. Staff Comments:

- 1.

Time Constraints/Due Dates: The city needs to have an ordinance passed by March 1st authorizing or denying ATV/ORV usage in the city.

I. Proposed Motion: **I move to adopt the proposed ordinance regulating the use of All-Terrain Vehicles and Off-road vehicles within city limits.**

CITY OF ILWACO

ORDINANCE NO. _____

AN ORDINANCE OF THE CITY OF ILWACO, WASHINGTON, PROVIDING FOR REGULATIONS REGARDING WATV AND ORV USE WITHIN THE CITY LIMITS.

WHEREAS, pursuant to the provisions of RCW 35A.11.020 the City Council of Ilwaco (hereinafter sometimes referred to as the "Council"), has the care of City property and the management of City funds and business and responsibility for City property and recreation areas; and

WHEREAS, pursuant to the provisions of RCW chapter 46.09 & House Bill 1631, a Washington state city may adopt an ordinance either allowing or prohibiting operation of, Wheeled All-Terrain Vehicles and Off-Road Vehicles within the city on segments of state highways and non-highway roads and on public land within the city.

NOW THEREFORE, the City Council of the City of Ilwaco does ordain as follows

SECTION 1. Definitions

- A. "Emergency management" means the carrying out of emergency functions related to responding and recovering from emergencies and disasters, and to aid victims suffering from injury or damage, resulting from disasters caused by all hazards, whether natural, technological, or human caused, and to provide support for search and rescue operations for persons and property in distress.
- B. "Highway," for the purpose of this chapter only, means the entire width between the boundary lines of every roadway publicly maintained by the state department of transportation or any county or city with funding from the motor vehicle fund. A highway is generally capable of travel by a conventional two-wheel drive passenger automobile during most of the year and in use by such vehicles.
- C. "Land owned or controlled by the City" means any land owned by the City of Ilwaco, or any land controlled by easement, lease, license, right-of-entry, or other written agreement giving the City use of the subject property.
- D. "Non-highway road" means any road owned or managed by a public agency, a primitive road, or any private road for which the owner has granted an easement for public use for which appropriations from the motor vehicle fund were not used for (a) original construction or reconstruction in the last twenty-five years; or (b) maintenance in the last four years.
- E. "Off-road vehicle" or "ORV" means a non-street registered vehicle when used for recreational purposes on non-highway roads, trails, or a variety of other natural terrain. "Off-road vehicle" or "ORV" includes, but is not limited to, all-terrain vehicles, motorcycles, four-wheel drive vehicles, and dune buggies.
- F. "Wheeled all-terrain vehicle" (WATV) means (a) any motorized non-highway vehicle with handlebars that is fifty inches or less in width, has a seat height of at least twenty inches, weighs less than one thousand five hundred pounds, and has four tires having a diameter of thirty inches or less, or (b) a utility-type vehicle designed for and capable of travel over designated roads that travels on four or more low-pressure tires of twenty psi or less, has a maximum width less than seventy-four inches, has a maximum weight less than two thousand pounds, has a wheelbase of one hundred ten inches or less, and satisfies at least one of the following: (i) Has a minimum width of fifty inches; (ii) has a minimum weight of at least nine hundred pounds; or (iii) has a wheelbase of over sixty-one inches.

SECTION 2. Operating a WATV/ORV on City of Ilwaco Roads/Streets

- A. It shall be unlawful for a person to operate an off road vehicle (ORV) on any highway or non-highway road in the City of Ilwaco or any land owned or controlled by the City of Ilwaco.
- B. It shall be unlawful for any person to operate a wheeled all-terrain vehicle (WATV) on any highway, non-highway road, or any land owned or controlled by the City of Ilwaco.
- C. This ordinance shall not apply to the use of a WATV/ORV when operated for emergency management or law enforcement purposes. The ordinance shall also not apply to use of a WATV/ORV when operated as farming, construction, or logging equipment, and such operation is exempt or eligible for rebate under RCW chapter 82.38.

SECTION 3. Penalties for Violation of this Ordinance

Unless stated otherwise, violation of any section of this ordinance is a traffic infraction, punishable as per state law. The parent or legal guardian of a child who knowingly allows the child to operate a WATV/ORV in violation of this ordinance is guilty of an infraction, punishable as per state law.

SECTION 4. Effective Date

This ordinance shall become effective from and after its passage by the Council, approval by the Mayor, and five days after publication as required by law.

SECTION 5. Severability

Should any section, paragraph, sentence, clause or phrase of this ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this ordinance be pre-empted by state or federal law or regulation, such decision or pre-emption shall not affect the validity of the remaining portion of this ordinance or its application to other persons or circumstances.

New open government training requirements effective July 1

With the Legislature's passage of **ESB 5964**, new open government training requirements go into effect for governing bodies, elected officials, and public records officers on July 1, 2014.

Open meetings: Every member of a governing body (including members of boards and commissions) of a public agency must complete open meetings training within 90 days after taking the oath of office or otherwise assuming official duties. Training must be completed every four years and may be completed remotely.

Public records and records retention: All elected officials, people appointed to vacancies in elected offices, and public records officers/managers must complete training in public records and record retention within 90 days after taking the oath of office or otherwise assuming official duties. The training must be consistent with the Attorney General's model rules for compliance with the public records act. The training also must be completed every four years and may be taken remotely.

The Attorney General is working on a set of FAQ's to help answer questions about this new training requirement. The requirement is not intended to be onerous. The Attorney General's office said 30 minute web-based trainings should be sufficient to satisfy the requirement. The Attorney General is advising all those subject to the new training requirement take training during 2014 to establish this as the base year and then retraining every four years or upon re-election/appointment.

AWC is gathering a list of upcoming trainings that will help cities meet this requirement. We will publish that list in our weekly *City Voice* e-newsletter and an upcoming *Bulletin*.

Recently, Attorney General Bob Ferguson sat down with AWC to talk about the importance of open government and the new training requirement. Check it out [here](#).

PUBLIC NOTICE

DRAFT ENVIRONMENTAL ASSESSMENT

Columbia River Federal Navigation Channel Operations and Maintenance Dredging and Dredged Material Placement Network Update, River Mile 3 to 106.5, Washington and Oregon

CENWP-PM-E-14-05
Issue Date: 8 April 2014
Expiration Date: 2 May 2014

Interested parties are hereby notified that the U.S. Army Corps of Engineers, Portland District (Corps) is seeking public comment on the *Columbia River Federal Navigation Channel Operations and Maintenance Dredging and Dredged Material Placement Network Update, River Mile 3 to 106.5, Draft Environmental Assessment* (draft EA).

The Corps is proposing to continue operation and maintenance of the Columbia River Federal Navigation Channel (CR FNC) and update the dredged material placement network (Network) from river mile (RM) +3 to 106.5. In 2003, the Corps identified 29 sites suitable for 20 years of dredged material placement use after construction of the 43-foot deep-draft CR FNC. Since the completion of the deepened channel in 2010, some sites in the Network have reached capacity or are nearing site capacity beyond what was evaluated by the Corps in 2003. Additionally, several upland dredged material placement sites have been removed from the list of available dredged material placement sites. Reconfiguring the existing Network with updated volume capacity, the use of new in-water sump, and the addition of shoreline placement to an existing upland dredged material placement site will allow the Corps to improve strategic management of dredged material placement and will serve multiple conservation and operational purposes. The updated Network will allow for greater flexibility for the CR FNC Operations and Maintenance (O&M) program.

The draft EA has been prepared for the proposed Federal action in accord with the Council on Environmental Quality's National Environmental Policy Act regulations [Federal Register 40 CFR 1508.9(a)]. At the end of the public comment period, the Corps will consider all comments received or post marked by the expiration date of this public notice and make a determination of significance of impacts resulting from the proposed action.

Environmental Document: The draft EA is available on the Corps webpage in the Announcements section at <http://www.nwp.usace.army.mil/Media/Announcements.aspx>.

Additional Information and Comments: Questions or comments regarding the draft EA should be directed to Ms. Greta Smith, Environmental Resources Branch, gretchen.v.smith@usace.army.mil, or to the address below. Mailed comments on this notice must be postmarked by the above expiration date and sent to:

District Engineer
U.S. Army Corps of Engineer District, Portland

Portland, Oregon 97208-2946

In your response, please refer to the above public notice number (CENWP-PM-E-14-05), title and date. Should no response be received by the above closing date, a "no comment" response will be assumed.
